Prayer

Praise the Lord!

For the gifts of teams and individuals offered to your service

For expressions of commitment and care to your world, and your church

For calling people into a variety of ministries,

For challenging us with difference and distinction

For each achievement, and the grace to cope with failures and frustrations;

For strangers becoming colleagues and friends

For growing trust and loyalty and openness,

For greater creativity and vulnerability to you and each other,

For increasing a sense of joy and hope and vision in us

For the faithful prayers of others,

All we who have breath proclaim: Praise the Lord!

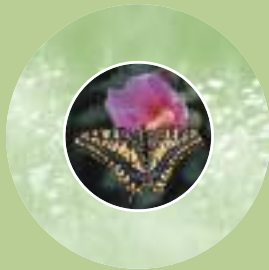

Martyn Atkins (General Secretary of the Methodist Church & Secretary of Conference)
